

Closure of Little Bow Reservoir Provincial Recreation Area

The Carseland - Bow River Headwater System Rehabilitation Project will result in the closure of the Little Bow Reservoir Provincial Recreation Area between **September 10, 2009** and **January 1, 2014**.

The current facility areas at the provincial recreation area will no longer exist as water levels change in the reservoir.

Little Bow Provincial Park will not be impacted by this project and continues to welcome visitors to come and explore the park.

For further information regarding the closure, please contact 403-382-4097 or visit www.AlbertaParks.ca or visit the [Little Bow Reservoir PRA webs page](#) (Little Bow Reservoir PRA website).
