

2011 Fall Teacher Orientations & Workshops at the Fish Creek Environmental Learning Centre

Registration is required!

**All SCIENCE programs are at the
Fish Creek Environmental Learning Centre
on the **WEST** end of the Park!**

Attending an orientation is essential, because **YOU** will be leading the program and organizing your parent volunteers the day of your field trip. The orientation will help you to:

- Plan for “safety and seasonal conditions” by visiting the site prior to your fieldtrip as required by your School Board [*Off-site Activities* (CBE) or *Regulation IJOA* (Calgary Separate)]
- Understand the roles and responsibilities of Park staff and the Learning Naturally Coordinator
- Familiarize yourself with Park facilities, the trails, the activities and the equipment we provide

Orientations **begin at 4:15pm** and last approximately 1.5 hours.

Please **REGISTER** early for one of the dates below, by contacting:

Fishcreek.Education@gov.ab.ca

Orientations may be cancelled for various reasons, registering allows you to stay up-to-date regarding current conditions and receive your teaching manual. Please **choose a date that reflects the season of your trip.**

WETLANDS workshops Wednesday, August 31 or Monday, September 12

All SCIENCE programs are conducted as general orientations to the building and activity area

Kindergarten: *Fabulous Fall*, Gr. 1: *Signs Of Fall*, Gr. 2: *Insect Intrigue*, Gr.3: *Wildlife Cycles*, Gr. 4: *Plant Communities*, Gr. 6: *Tree Tales*:

Once registered, you will receive a **confirmation email** that includes a **map** and teacher program **manual**. **You will be going outside!** Please dress appropriately and wear proper outdoor, walking footwear.
